

Extraordinary Cost Fund Certification

Second Half Funding School Year 2005–2006

The _____ School District has requested funding from the Special Education Extraordinary Cost Fund for the second half of the 2005–2006 school year. If our application is approved and additional funds are accepted by this district we will comply with SDCL 13–37–40.1, and hereby certify the following:

The school district's ending special education fund balance shall not exceed five percent (5%) of the special education expenditures for the current fiscal year. I authorize the Department of Education to reduce the district's special education aid allocation in 2006–2007 by the amount in excess of this five percent limitation.
